About BioLife Solutions

BioLife Solutions is the leading developer, manufacturer and supplier of proprietary clinical grade cell and tissue hypothermic storage and cryopreservation freeze media for cells and tissues. Our proprietary HypoThermosol® and CryoStor® platform of biopreservation media products are highly valued in the regenerative medicine, biobanking and drug discovery markets. These are serum-free, protein-free, fully defined, and formulated to reduce preservation-induced cell damage and death. Our enabling, embeddable technologies provide commercial companies and clinical researchers significant improvement in shelf life and post-preservation viability and function of cells, tissues, and organs.
