

## BioLife Solutions Named one of the Top 100 Companies in Washington State Company Also Made the Esteemed List in 2013 and 2015

BOTHELL, Wash., Aug. 25, 2020 /PRNewswire/ -- **BioLife Solutions, Inc.** (NASDAQ: BLFS) ("BioLife" or the "Company"), a leading developer and supplier of a portfolio of class-defining bioproduction tools for cell and gene therapies, was recently named one of the *100 Best Companies to Work For*, a list curated by Seattle Business Magazine, based on employee survey responses.

Mike Rice, BioLife's CEO, remarked, "It's a great honor for BioLife to make this esteemed annual list of the best companies in Washington, now for the third time since 2013. I'm really pleased that our team members feel valued and recognized for their work. We have such a talented and dedicated team that consistently rises to and overcomes whatever challenges come our way. I'd like to thank every team member for their commitment to quality and customer satisfaction."

### About the List

For the 31st year, *Seattle Business* magazine recognizes the top companies in Washington that set the standard for work environment, rewards and recognition, benefits, communications, responsibility and decision-making, and executive leadership for its annual *100 Best Companies to Work For* awards program in 2020. This is the list that all HR executives and company presidents want to be on because it is their own people that put them there via anonymous employee surveys developed from 25+ years of market research.
