

BioLife Solutions Announces 2023 Analyst Day & Participation in Upcoming Investor Conferences

BOTHELL, Wash., Jan. 17, 2023 /[PRNewswire](#)/ -- **BioLife Solutions, Inc. (Nasdaq: BLFS)** ("BioLife" or the "Company"), a leading developer and supplier of class-defining bioproduction products and services for the cell and gene therapy (CGT) and the broader biopharma markets, today announced the dates of its 2023 analyst day and upcoming investor conferences where management will be presenting and meeting with current and prospective investors.

2023 Analyst Day – March 23, 2023 – SciSafe Biorepository, Billerica, MA

BioLife's leadership team and board members will be hosting sell-side and buy-side analysts and shareholders at its SciSafe biostorage facility on March 23rd. The Analyst Day will provide an opportunity for investors and analysts to hear from members of BioLife's executive team as they discuss updates and progress across its products and services portfolio and also review financial performance. In-person attendees will also be able to view the Company's bioprocessing tools and services and tour BioLife's state-of-the-art biorepository.

In-person event attendance is by invitation only and space is limited. To inquire about receiving an invitation, please email Jody Cain at LHA Investor Relations at jcain@lhai.com.

To join virtually, please register by visiting the Investor Relations section of the BioLife Solutions website at <https://investors.biolifesolutions.com/welcome> beginning March 1, 2023. A replay of the presentation slides will be available on the company's website after the event.
